I live fourteen miles from Cold Spring on the Liberty road - there was several bales of Cotton left at my place last Jan by teamsters in consequence of bad roads - I took as good care of it as my situation would permit, keeping all depredators from molesting it, until one bale become in bad order, the ropes bursting off - I could not then prevent some of the neighboring women from tatting spinning Cotton which was in a manner wasting -

I was afterwards informed that it was Govt Cotton & deposited at my place by Mr D Kirksey's team - Mr Oliver the Govt Agent left the remnant of the bale of Cotton with me when he had the balance hauled away in consideration of the care & trouble I had experienced with it

No. Abstract "L" 13 Apr. 1865.

Affidavit S. D. Toole, Apt.  
Martin Co. Gas of.

— 619 yards Bagging —

— 976 lbs Rope. —

Personally appeared before me, Jas. D. Whitten Clerk of the County Court for the County of Wharton, State of Texas. S. D. Foote, Agent of the Cotton Bureau acting under authority of Captain C. G. Wells, A. G. M. to me well known, who being duly sworn according to Law, says; that he received from Captain C. G. Wells A. G. M. (14422) Fourteen Thousand Four Hundred and Twenty Two yards of Bagging, and (18111) Eighteen Thousand One Hundred and Eleven pounds Rope, the property of the Confederate States shipped to him by the said Captain C. G. Wells, A. G. M. in charge of the Cotton Bureau at Houston Texas. That upon distributing the aforesaid quantity of Bagging and Rope to the different Planters in his District, he found (1619) Six Hundred and Ninety yards of Bagging, and (1976) Nine Hundred and Seventy Six pounds of Rope in a condition rendering the same totally unfit for service it being entirely rotten, caused by old damage. He furthermore says that (the 1619) Six Hundred and Ninety yards of Bagging and also the 1976, Nine Hundred and Seventy Six pounds of Rope were not used for any purpose whatever, on account its worthless condition, and that it is entirely rotted and in fragments which can never be applied to any use.

Sworn and subscribed to before me

## Report of a Board of Survey on Steamer "Caroline" Galveston, Texas Aug 24<sup>th</sup> 1864.

Dist. Quarters N. M. & A.  
Houston Aug 24<sup>th</sup> 1864.

Approved. As these articles are necessary  
in the District I suggest their purchase  
at rates proposed by the Board except  
the Coal, which being estimated at \$1.00  
per ton, (calculating Confederate  
Money at 40 for 1) I deem a price  
highly exorbitant, & recommend the  
purchase at \$50.00 per ton.

The distance from the Shore to the Wreck was found to be ca 120 Yds, at common low water tide; the depth of water on it, at the time of our measurement was six feet it being a very high tide. The Engine & other Machinery we found as expected, considerably damaged, and in want of a thorough repair, to render them fit for use, but they can, by taking the necessary steps in due time be saved at a very low water tide, which is during a Norther. We estimated the Value of the Engine Boilers &c. at \$ 160,000.00

As to the Condition & Quantity of Coal the Board is of opinion that 25 men and experienced officers, supplied with the necessary tools could in four days bring out the Coal and Machinery, as to all appearances no sand had yet accumulated on or around the latter. To ascertain the exact quantity of Coal or its Value the Board was unable to, but according to the Statement of Capt. McDonald there should be some forty tons of bituminous Coal, most of which can be saved. We appraised the same at \$ 3000.00 per Ton, making for 40 Tons \$ 120,000.00. Finally the Board begs to state, that the Wreck lays in the heaviest breakers, but that there is no reason to anticipate an interference by the Enemy.

The following is a recapitulation of our appraisement:

|                               |   |   |   |   |   |                     |

| Coal                          | " | " | " | " | " | 120000.00           |
| Total                         |   |   |   |   |   | <u>\$ 351400.00</u> |

The Board then adjourned Am. D. C.
